# The test that opens doors around the world

This booklet contains important information to help you prepare for your IELTS test.

IELTS, the International English Language Testing System, is designed to assess the language ability of people who want to study or work where English is the language of communication.

IELTS is recognized and accepted by over 10,000 organizations worldwide, including universities, employers, professional bodies, immigration authorities and other government agencies. For a list of organizations that accept IELTS scores, visit [www.ielts.org/recognition](http://www.ielts.org/recognition).

## Accessible and convenient

IELTS is offered up to four times a month in more than 140 countries. Tests are held on Saturdays and Thursdays. To find out test dates in your area, please contact your nearest IELTS test center. A list of all IELTS test locations worldwide is available at [www.ielts.org](http://www.ielts.org).

## The international test

IELTS is internationally focused in its content. For example, texts and tasks are sourced from publications from all over the English-speaking world; a range of native-speaker accents (North American, Australian, New Zealand, British etc.) are used in the Listening test; and all standard varieties of English are accepted in test takers' written and spoken responses.

## The test that's tried and trusted

IELTS has been developed by some of the world's leading experts in language assessment, and is supported by an extensive program of research, validation and test development.

## The level of the test

IELTS is designed to assess English language skills across a wide range of levels. There is no such thing as a pass or fail in IELTS. Results are reported as band scores on a scale from 1 (the lowest) to 9 (the highest).

### Know the IELTS rules and regulations

It's important to familiarize yourself with the IELTS rules and regulations. These are laid out in the **Notice to Candidates** and **Declaration** which are included in the application form. When you sign the application form declaration, or agree to the terms online, you are confirming that you have read and understood the IELTS rules and regulations and agree to abide by them.

### Register as soon as possible

When you feel you are ready to take the test, you need to register for a test date with an IELTS center. Contact the center as soon as possible, as the number of test takers who can take the test on a particular date may be limited. You will need to pay the test fee when you register.

### Tell your center if you have special requirements

In order to ensure that the language ability of all test takers is assessed fairly and objectively, IELTS provides a comprehensive service for test takers who have special requirements, including specific learning difficulties, hearing difficulties and visual difficulties.

If you require a modified version of the test, for example a Large Print or Braille version, you must give the test center three months' notice. This notice period is necessary for the modified test version to be prepared. If your circumstances require special administrative arrangements to be made, for example if you need extra time or you need to use access technology such as a screen reader, you must give the test center six weeks' notice. Please contact your test center to discuss your requirements. Any special arrangements agreed are in accordance with the Joint Council for Qualifications (JCQ).

## Test format

There are two modules to choose from – Academic and General Training.

### IELTS Academic

IELTS Academic is for test takers wishing to study at undergraduate or postgraduate levels, and for those seeking professional registration.

### IELTS General Training

IELTS General Training is for test takers wishing to migrate to an English-speaking country (Australia, Canada, New Zealand, UK), and for those wishing to train or study at below degree level.

Each organization sets its own entry requirements. In some cases both Academic or General Training may be accepted. If you are in doubt as to which to take, you should contact the organization you are applying to in order to check their requirements.

You are tested on all four language skills – listening, reading, writing and speaking, unless you have an exemption due to a disability (see section on special requirements). Everyone takes the same Listening and Speaking tests. There are different Reading and Writing tests for IELTS Academic and General Training.

The Listening, Reading and Writing tests must be completed on the same day. The order in which these tests are taken may vary. There are no breaks between these three tests. The Speaking test may be taken up to seven days before or after the other three tests.

# Speaking

## Timing

11–14 minutes

## Test Parts

The examiner may then ask you one or two questions on the same topic.

### Part 3 Two-way discussion (4–5 minutes)

## Test tips

### Listening

- Each recording in the Listening test is heard once only.
- You will be given time to read through the questions before you listen.
- As you listen, write your answers on the question paper. At the end of the test, you will have 10 minutes to transfer your answers to the answer sheet. It is essential that you transfer your answers to the answer sheet as nothing you write on the question paper will be marked.
- You must write your answers in pencil.
- An example of a completed Listening answer sheet is given on the next page.
- ‘Completion’ question types (e.g. note completion):
  - Pay attention to the word limit. For example, if you are asked to complete a sentence using NO MORE THAN TWO WORDS, and the correct answer is ‘leather coat’, the answer ‘coat made of leather’ would be incorrect.
  - Transfer only the missing word(s) to the answer sheet. For example, if you have to complete the note ‘in the ...’, and the correct answer is ‘morning’, the answer ‘in the morning’ would be incorrect.
  - You will hear the word(s) you need to use in the recording. You will not need to change the form of the word(s) you hear.
  - Pay attention to spelling and grammar: you will lose marks for mistakes.
  - You may write your answers in lower case or in capitals.

### Reading

- You may write your answers directly on the answer sheet or you may write them on the question paper and transfer them to the answer sheet before the end of the test. You will not be given extra time to transfer answers at the end of the test. Nothing you write on the question paper will be marked.
- You must write your answers in pencil.
- An example of a completed Reading answer sheet is given on the next page.
- ‘Completion’ question types (e.g. note completion):
  - The same rules apply to ‘completion’ question types as in Listening (see above).
  - The word(s) you use must be taken from the Reading text. You will not need to change the form of the word(s) in the text.

### Writing

- You may write your answers in pencil or pen.
- Pay attention to the number of words required for each task. You will lose marks if you do not write at least 150 words for Task 1 and at least 250 words for Task 2.
- You should spend approximately 20 minutes on Task 1 and approximately 40 minutes on Task 2.
- You must write your answers in full; answers written in note form or in bullet points will lose marks.
- Pay attention to spelling, grammar and punctuation; you will lose marks for mistakes.
- You may write your answers entirely in capitals if you wish.
- You may make notes on the question paper but nothing you write on the question paper will be marked.

## Test results

### The Test Report Form

You will receive a Test Report Form which reports a score for each of the four skills (listening, reading, writing and speaking), as well as an overall band score. Half band scores may be awarded to indicate a strong performance within a particular band. You can find more information on score processing and score interpretation at [www.ielts.org/criteria](http://www.ielts.org/criteria).

Results will be available 13 days after the test. At some test centers test takers can collect their results on the 13th day. At other test centers results are mailed to test takers on the 13th day. Test centers are not permitted to give results out over the phone or by scan or email.

You will receive only one copy of the Test Report Form. It's important that you keep it safe as replacement Test Report Forms cannot be issued. Test centers will send copies of your Test Report Form to up to five organizations free of charge.

### Preview your results online

You can preview your results online 13 days after the test. Results remain online for 28 days. Please note that the online preview of results should not be used as an official confirmation of your performance.

### Results validity period

Organizations will not usually accept a Test Report Form that is more than two years old unless you provide evidence that you have actively maintained or tried to improve your English since taking the test. The IELTS Test Partners cannot confirm the validity of test results that are more than two years old.

## Re-taking IELTS

There are no restrictions on re-taking IELTS. You can register for a test as soon as you feel you are ready to do so. Please note that your score is unlikely to increase unless you make a significant effort to improve your English before re-taking the test. More information is available from [www.ielts.org/resitting](http://www.ielts.org/resitting).

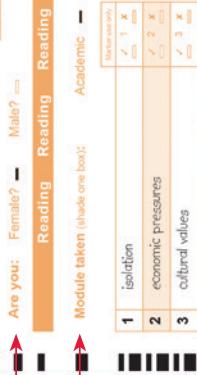

## Enquiries on results

If you are unhappy with your test result, you can apply for a re-mark (Enquiry on Results) at the center where you took the test. You must make the application no later than six weeks after the test date. You can choose which test components are re-marked. There is a fee for this service which will be refunded if your score on any component is increased. Enquiries on Results take six to eight weeks to complete.

Contact details for all IELTS test centers worldwide can be found at [www.ielts.org](http://www.ielts.org), where you can also download the application form.

## 2 Registration

Read through all the information you receive with the application form carefully. Complete the paper application form or online registration and submit it to your nearest test center. You will need to enclose the test fee or make the payment online.

Make sure you enter the number of your identity document (your passport or national identity card) and attach a clear color photocopy or scanned copy of your identity document to the application form. The identity document must be valid at the time of registration and the same ID document must be presented on the day of the test.

## 3 Confirmation

The test center will give you written confirmation of the date and time of the test. Your Speaking test time will be scheduled on the same day as the written tests or on a different day within a 7-day window before or after the written tests. The test center will confirm your Speaking test time.

## 4 Test day

Your identity will be checked on the day of the test and before the Speaking test. You must present the same identity document that you used when you registered for the test. Your photograph will be taken as an additional security measure, and it will appear on your IELTS Test Report Form. In addition a finger scan may be taken.

## 5 Results

Results will be available 13 days after the test. At some test centers test takers can collect their results on the 13th day. At other test centers results are mailed to test takers on the 13th day. Test centers are not permitted to give results out over the phone or by scan or email.

A preview of your results is available online 13 days after the test. Results will remain online for 28 days. Please note that the online preview of your results should not be used as an official confirmation of your performance.
